South Texas College

DUAL2DEGREE

Requirements

- Juniors and Seniors can participate in Dual Enrollment. Exceptions (i.e. Freshmen and Sophomores) are reviewed on an individual basis.

- All students have to meet minimum requirements to participate:

STARR (Level 2 End of Course Exam)	
English II	4000
Algebra II	4000
STARR (Level 1 End of Course Exam)	
Algebra I	4000 & "C" or better on Algebra 2 high school course

TSI Assessment	
Reading	351
Writing	Essay score of 5 or Essay score of 4 & Multiple Choice of 363
Math	350

Dual Enrollment testing prerequisites are subject to change. Some courses may require different or additional prerequisites. For a complete list of testing prerequisites please see your high school dual enrollment contact.

Admissions Process

Step 1: Complete a Dual Enrollment Admissions Application. Apply online at www.applytexas.org.

Step 2: Provide STC a copy of your high school transcript; include current TSI scores.

Step 3: Meet with your high school counselor to select and register for Dual Enrollment classes.

SOUTH TEXAS COLLEGE

Dual2Degree Program Admissions Application

Name: _____

Date of Birth: _____

Email: _____

School ID: _____

Step 1: Creating a Profile

- Go to www.applytexas.org and click `Create your account now »`

- Complete all fields marked **required**.

- **Please note the following information:**

  - **Suffix** means if your name (for males) ends with Jr., III, etc.
  - Under **place of birth**, select a country **if not** United States.
  - If your **ethnicity** is Hispanic/Latino, your race is **white**.
  - Unless you live and receive mail in different places, **only fill out the permanent address portion**.
  - When entering your phone number **do not** use parentheses, spaces, dots, or dashes. Numbers only.
  - Leave the **preferred phone country code** blank.
  - For Emergency Contact only enter a name and phone number.
  - Your **password** must be at least 8 characters long and it must contain at least one number.
  - You must select and answer five different password reset questions.

- Click `save profile` on the bottom of the page. Your errors will be noted in red at the top of the page: **You must correct the errors to continue.** You may also be asked to verify information; click the blue link to take you to what needs verification; check the ⦿ then save your profile again.

- Once your profile is saved, a username will be assigned. **Write down your username and the password you created for future reference.**

Username: _____

Password: _____

Step 2: Completing the Application

1. Click the **My Applications** tab, then click Create a **new application** now.

2. Click create a new 2 year college admissions application

3. In **either list** select South Texas College (McAllen) as the **target college**.

   Select "**NO**" when asked if the application is for dual credit classes.

4. Select Fall (Aug - Dec) 2016 as the **semester of entry.** Click continue.

5. Select **Interdisciplinary Studies** as **first choice major**. Do not select a second choice. Click continue, then click "continue to my application".

Page 1 of 5 - Biographical Information

6. **If you know it,** enter your social security number. If not, **skip** it.

7. Scroll to the bottom of the page and click save changes

8. If you receive a message (a blue link) to verify information, click the link. It will take you to what needs to be verified.

9. Click the ☐ button to verify the information, then scroll down to the bottom of the page and click save changes again.

Page 2 of 5 - Educational Background

10. For question 1 on this page, first click Find Your High School

   - A pop-up should appear. Enter your school name and city then click **submit**. Select your school from the results. This should fill in all the information on your application.

   - Enter your **expected graduation date** (month and year).

11. Answer **no** for "Are you home schooled?"

12. **Skip** questions 2, 3, and 4.

13. Scroll to the bottom of the page and click save changes

Note: If there are any errors you will be informed of them after you click "save changes". The blue links that appear at the top of the page will take you to the errors. You must correct all errors before you can continue.

Page 3 of 5 - Educational Information
