Thank you for providing academic leadership services to others. NHS defines leadership as “those who are resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others.” Building up your personal academic leadership portfolio is a great way to use your time away from school and speaks well of your commitment to serving others. Good luck!

Notes regarding the use of this form:

- Be sure to obtain the signature of the adult supervising your activity at the conclusion of your peer tutoring. The SISD phone extension will assist the chapter adviser if confirmation is needed.

Note: The decision regarding whether *any* of the tutoring hours listed on this form count toward candidacy or member service obligations rests solely with the local Honor Society chapter. Consult with the chapter adviser if questions arise.
