

Sharyland Pioneer High School

Merry Christmas and Happy New Year from Sharyland Pioneer High School Administration

Greetings Diamondback parents. The change in weather is a reminder that 2020 is quickly coming to an end, and a new year will soon be ringing in with new opportunities and new resolutions. Our wish for 2021 is that everything will safely return back to normal, and that our hallways will soon be filled with the voices and sounds of all our students and staff.
