Download My School Bucks App or stay on MySchoolBucks Website

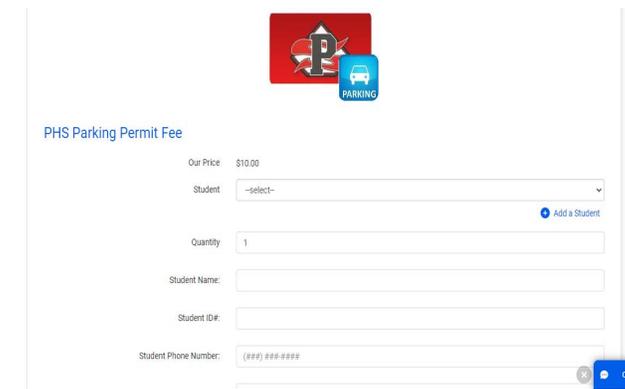

Go to Families > Texas > Sharyland ISD > Create Account (Only if student doesn't have an account already in the system). If you already have an account, you can bypass this step.

Go to Store or click directly on link provided above to purchase PHS Parking Permit. Once on PHS Student Parking Permit Fee product, select Buy Now.

Select Student or Add Student (if not yet added). Student will then need to fill out all required boxes on the form. Once completed, select Buy Now.

The screenshot shows a web form titled "PHS Parking Permit Fee". At the top right, there is a red square logo with a white "P" and a blue square icon with a white car and the word "PARKING". Below the title, the form includes the following fields: "Our Price" set to "\$10.00"; "Student" dropdown menu with "--select--" and an "Add a Student" link; "Quantity" set to "1"; "Student Name:" text input; "Student ID#:" text input; and "Student Phone Number:" text input with a placeholder "(###) ###-####". A blue chat icon is visible in the bottom right corner of the form area.

Select option: Pay-As-You-Go or One-Pay membership for e-checks and Continue. Then process payment to receive confirmation and print receipt.

Membership

MySchoolBucks offers the following payment options.

Pay-As-You-Go

With the Pay-As-You-Go option we will add a program fee with each online payment transaction.

OR

OnePay membership for e-checks

As a member, no program fees are added for e-check payments regardless of the number of transactions payments you make or the dollar amount. Memberships are available for a period of 12 months for individual members (or your household) or the entire household. Select this option and press Continue to view the membership fees.

To determine whether a OnePay membership is more cost effective for you, consider how many times you will make a payment using the service during the year. If you have multiple children or are making payments frequently, then a OnePay membership might be more cost effective.
