## District Vehicle Search and Seizure Policy

All vehicles are subject to search and seizure if a reasonable cause exists (example: sniffer dog alerts). Penalties allowed by policy will be enforced if prohibited or stolen items or illegal substances are found. Hunters should be especially aware to remove any weapons or ammunition from their vehicles. Failure to comply with this policy and procedure will result in administrative and police action. Refusing to comply with this policy will also result in the removal and suspension of the student parking permit.

I understand and agree with the search and seizure policy

# General Information

1. One parking permit will be issued per student for the 2023-2024 school year.
2. If a student changes vehicle during the same school year, he/she must purchase a new parking permit. The original permit will become void and must be returned. *(If student is unable to take off original permit sticker, campus police officer will assist with removal)*. Permits are designated for one vehicle and cannot be removed and placed on another.
3. Student parking permit will be placed on vehicle belonging only to the student.
4. Students can ONLY park their vehicle in STUDENT Parking Area located directly behind the GYM and Auditorium.
5. Students ARE NOT ALLOWED to park in the following areas: Front of Campus (this is designated Staff/ Visitor area), West Side Staff Parking, Visitor Parking, Specified Staff Parking Areas (Admin, Counselor's, Coaches, etc.).
6. If for any reason there is overflow parking in student parking lot, additional parking is located on the east side of the football stadium.
7. Vehicles may not display any bumper stickers or other forms of writing or pictures that are offensive, provocative, obscene, or advertise alcohol/tobacco products.
8. Vehicles must be parked properly so that they do not impede traffic.
9. Temporary parking permits can be obtained when a vehicle cannot be driven due to mechanical reasons, etc... – *See Assistant Principal's Office for temporary parking permit.*
10. Parking Permits will be removed for unsafe driving and any other permit or vehicle infractions. The length of suspension will be determined by assigned Assistant Principal. Students will then need to submit a new permit registration form, with an additional \$10.00 fee to obtain a new permit.
11. Any student that removes a permit from a designated vehicle and places it on another, removes a permit and sells/or gives it to another student, or provides false information, will have their parking permit removed and suspended for the remainder of the year.
12. Failure to maintain all state driving and vehicle maintenance requirements will result in the suspension of school driving privileges until requirements are updated. The parking permit will be removed and a new one must be purchased when updates have been completed.
13. Mission Police Department Officers are assigned to our campus and are also responsible for all vehicle and driving requirement approvals prior to purchasing a parking permit.

**This verifies that I have read and understand all of the rules, procedures, and consequences regarding the STUDENT PARKING PERMIT POLICY.**
